The workshop will be structured in two sessions:

- A morning session (from 9:00 to 12:00 CEST) for the presentation of three keynote speakers and discussion;
- An afternoon session (from 13:30 to 15:00 CEST) for 6 presentations (15-20 minutes long) by researchers selected through this call for papers and for discussion.

The keynote speakers of the morning session are:

Tariq Modood, University of Bristol
Hyuk-Rae Kim, Yonsei University
Shimizu Kosuke, Ryukoku University

Proposals can be submitted [online here](#) until the 4th of September 2021

Authors of selected proposals will be contacted no later than the 10th of September 2021
