

FUNDING COMMITTEE – FACULTY OF MATHEMATICAL AND NATURAL SCIENCES

Documentation guidelines for funding requests

Students are required to submit the following documentation to the Committee:

Prolonged stays for research activities related to the final thesis (undergraduate students)	referral letter by the Coordinator from the hosting institution attesting their commitment to welcome, assist, and support the applicant during the research activity
Schools, courses, or seminars attendance	referral letter by the SNS Coordinator attesting the need for attendance due to the lack of similar activities offered by the SNS. For first-year PhD students and undergraduates, in case of attendance during a school period, the SNS Coordinator is required to make sure that the student's obligations at the SNS are not compromised
Passive participation in conferences or conventions	referral letter by the SNS Coordinator attesting the need for attendance to the event
Active participation in conferences or conventions	programme of the event, or acceptance letter for the contribution, or presentation's abstract
Workshops	programme of the event stressing the active participation in the activity, or referral letter by the SNS Coordinator
