

Caterina Romaniello

Psychologist and psychotherapist.

Graduated from Università degli Studi di Padova.

Registered with the psychologist order of Tuscany (no. 487), with psychotherapist annotation.

Cell: 329 8446912

Email: c.romaniello@performat.it

Psychologist and psychotherapist, transactional analyst certified (CTA), I deal with individual psychotherapy for adults for managing anxiety, depression, mood disorders, relational difficulties, psychological suffering and mental blocks. Furthermore, I deal with psychological support for improving adaptation to personal changes. I have specific skills about psychological suffering of caregivers and relatives of patients with illnesses, especially cancer. I am a specialist in psychotherapy groups. My clinical and research field of interest are: clinical and health psychology and effectiveness of psychotherapy.
