	<p>mobility. The assignees of the collaborations will be coordinated and supported by the staff of the Cultural Events and Career Services Department.</p>						
<b>Progetto Piazza dei Cavalieri 1</b>	<p>The collaborator will be required to contribute to the "Cultural Enhancement Project of Piazza dei Cavalieri" with activities involving public engagement and scientific research. The latter will be aimed at producing one or more Italian-language sheets for the project's website on topics related to medieval art. These sheets will be assigned a DOI code and will therefore have the full validity of a publication. The scientific dissemination activity, primarily related to the Tower of Hunger, will be targeted towards a diverse audience, following several hours of training, and will take place in either Italian or English according to a schedule provided to the collaborator in advance.</p>	<p>PhD student in Medieval Art History, with excellent knowledge of English</p>	<p>From april to december 2024</p>	<p>Lucia Simonato</p>	<p>1</p>	<p>45</p>	<p>45</p>
<b>Progetto Piazza dei Cavalieri 2</b>	<p>The collaborators will be required to contribute to the "Cultural Enhancement Project of Piazza dei Cavalieri" with activities involving public engagement and scientific research. The latter will be aimed at producing some Italian-language sheets for the project's website on topics related to contemporary art. These sheets will be assigned a DOI code and will therefore have the full validity of a publication. The scientific dissemination activity, primarily related to the works of the Pecci Collection inside the Palazzo della Carovana, will be targeted towards a diverse audience, following several hours of training, and will take place in either Italian or English according to a schedule provided to the collaborator in advance.</p>	<p>PhD student in Contemporary Art History, with excellent knowledge of English</p>	<p>From the assignment to december 2024</p>	<p>Lucia Simonato</p>	<p>2</p>	<p>75</p>	<p>150</p>
