

**Title:** Sensory Neuroscience Summer School

**Dates:** September 3-9th 2025 (both days included - please plan on arriving the day before and leaving the day after; also note that September 10th is the first day of the [SINS congress](#), hosted at the same and nearby locations)

**Location:** Gipsoteca di Arte Antica (<https://www.gipsoteca.sma.unipi.it/>)

**Target students:** the school is targeted for Master's degree students or early PhD students, i.e. students who already hold a Bachelor's degree and would like to explore cutting edge research on the sensory systems and brain computations in general.

**Hours:** classes will run between 9 am and 6 pm.

**Costs:** there are no tuition fees; lunches will be provided by the host.

**Accommodation:** students from any of the institutions involved in TNE will have their accommodation reimbursed, provided that they travel under one of the "short mobility" or "long mobility" schemes available in the project [*insert link to the calls here*]. Students from other institutions will have to provide for their accommodation.

Note: we reserved a small number of rooms in nearby hotels. Please contact us if you would like to book one of these rooms.

**Host institution:** University of Pisa

**Contacts:** [paola1binda@gmail.com](mailto:paola1binda@gmail.com); [to be updated]
