Candidates who have obtained at least 40 points in the evaluation of the qualifications are admitted to the oral examination.

The oral interviews will take place in Pisa, at the SNS site, Piazza dei Cavalieri 7, 56126, **from 10.00 a.m. (CEST) on 16 July 2026 and from 10.00 a.m. (CEST) on 22 July 2026, according to the hourly schedule to be communicated directly to the candidates admitted to the oral interview.**

Candidates will be interviewed in alphabetical order.

Candidates not residing in Italy and those candidates who specifically request to take the oral interview remotely, writing to the e-mail address phd@sns.it, can sit the interview in videoconference, with procedures that guarantee the identification of the candidate and the public nature of the test. Candidates must show a valid document of identification at the oral tests.

Please a kindly acknowledgment to the address e-mail phd@sns.it (and specifying name, surname, date of birth and the Ph.D. course they are applying for).
