

Call for applicants

MBA Program for PhDs by *Collège des Ingénieurs*

Our **Science and Management Program** (MBA program for PhDs) offers a unique opportunity to pursue your **PhD and an MBA** (Master in Business Administration) in **parallel**, providing PhD students with the tools, mindset, and network to enlarge their professional perspective. You'll strengthen your academic skills with strategic thinking, learn how to communicate your research effectively, and gain a deeper understanding of how science connects with industry, innovation, and leadership.

Join our presentation
Nov 12th, h12.00
Sala degli Stemmi

Phd + MBA Structure

- **Phase 1 – during your PhD:** 6 weeks of courses in Turin spread across your first 2 years. Training focuses on innovation, soft skills, research communication, and thematic schools.
- **Phase 2 – after your PhD:** 9 weeks of management education across Paris, Munich, and Turin, plus 26 weeks of paid working experience in a selected partner company.

Apply before December 5th
