NOTICE

The "Associazione degli Amici della Scuola Normale Superiore in Pisa" has decided to renew the funding for specific interventions in favor of students who are facing particular and serious health situations, in order to allow them to continue their academic journey at the Scuola with greater tranquillity and peace of mind.

The available funding will be provided, in accordance with the Director of Scuola Normale and their Delegate for disability and equal opportunities activities, to students who are facing specific and serious health situations and who make a well-founded request for it.

Therefore, it is necessary:

1) for the students of the Scuola who wish to request the available contribution to send an email to amicisns@sns.it attaching a simple letter where they indicate:
   a) their personal details and contact information;
   b) the reasons for requesting the contribution along with any supporting documentation;
   c) the amount of contribution requested and its purpose;
   d) any other relevant information and documentation deemed necessary by the applicant.
2) The application must be signed by the interested party and accompanied by a declaration, also signed, regarding the processing of personal data *(please use only the declaration form attached here under sub lett. "A")*.
3) The Association will evaluate the received applications, in consultation with the Scuola, reserving the right to request and/or acquire additional information.
4) The decisions regarding the allocation of the contribution will be discretely made, prioritizing serious situations, the economic situation of the student, and the effectiveness of the contribution.
5) The identity of both the applicant and recipient of the contribution will not be disclosed.
6) The contribution will be provided solely through a bank transfer to the student's bank account.
